

## What do we hear?

"We are very thankful for the mission deepest gratitude for all he has given or done for my family and myself and want to reach out to those in need."

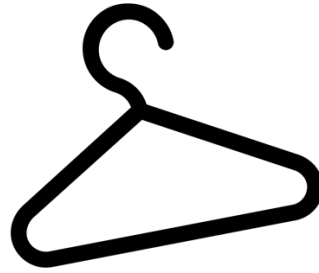

"I believe this ministry not only clothes individuals, it also strengthens relationships between those individuals and Jesus Christ."

"We are a very close group, in praying for one another, helping each other and we have formed our own SALT group."

"Bring your clothes! We will sort, fold and pack until everything is done in order to put clothes on their back."

"Jesus taught us that when we clothe the needy, we do it for him. I love the fellowship of those who serve in the Clothes Closet."

"I want to pay it forward and love the women who share this passion with me."
