Many women
wonder if there
isn't *more* to life.

What to expect at Women's Boot Camp:

- **a journey** into the questions and desires of a woman's heart.
- **an exploration** of the wounds, messages and vows that keep a woman's heart bound and disconnected from the loving God who created it.
- **a reconnection** with the powerful Savior who comes as the Hero of each woman's story to rescue her heart, releasing her to live as a fully alive and captivating woman!
- **a discovery** of something profound about the heart of God and the heart He gave you as a woman.

God is calling you to bring who you are as a woman to bear on the world for His Kingdom. God desires to romance your heart, unveil your true beauty and reveal your irreplaceable role in His grand adventure.

Women's BOOTCAMP

Come discover the *more* God has for you - more of God, more healing, and more restoration into the woman you were created to be.

Come! Live as a Captivating woman in God's epic story. Join us for a Women's Boot Camp Weekend:

Stasi Eldredge, author of "Captivating" will help us explore key questions about who we are as women, who God intends us to be, and the spiritual battle for our heart.

Our message is delivered through video teachings, movie clips, song lyrics and live speakers. **You will hear from women living in pursuit of God's heart** - women who have found great healing and joy through connection with the message of

"Captivating" and eagerly desire to share these blessings with others.

We'll enjoy extended quiet times alone with Jesus in a place free of distractions - one that is bursting with the beauty and wonder of His creation. It's a time of peace, healing and restoration, laughter and camaraderie, and inspiration to become the woman God designed you to be. Bring a cozy blanket, comfortable clothes and your swimsuit for the hot tub. Prepare to relax and lean in to Jesus as He pursues your heart, the heart of His Beloved!

We will spend our time together at the lovely Eagle Wings Lodge in the Hocking Hills.

Plan to arrive any time after 4:00 pm on Thursday to settle in. While we will not be serving dinner on Thursday night, we will have heavy hors d'oeuvres and snacks available.

Our official starting time is 7:00 pm Thursday, and we will conclude our weekend before lunch on Sunday. It's a bit longer than your typical retreat, but with good reason, so it's important to plan on attending the event in its entirety.

The cost of the weekend is \$285 per person. This includes meals, accommodations and materials.
